Smart, well-presented 1996 Scania horsebox with a very practical layout for staying away at shows. It offers stalls for 7 horses and comfortable living that sleeps 4, making it a strong option for anyone needing proper capacity without compromising on onboard space.

The horse area is bright and well-ventilated with secure partitions and a large roof hatch for extra light and airflow. The living is spacious and well finished with a comfortable dinette, practical kitchen with good storage, sleeping for four, and an onboard bathroom with shower, basin and toilet - ideal for longer show days or weekends away.

Includes 12 months tax & DOE
